Artisan & Conscious Cakes

Personal portions

8.99

Our artisan cakes are 100% handmade, created with a philosophy focused on wellness without compromising flavor. They are gluten-free free of refined sugar, and made with whole oats and almond flours carefully selected for their nutritional value and quality. These cakes are low in calories, naturally healthy, and well-balanced. They are not overly sweet nor heavy; instead, offer a smooth, honest flavor that comes from real ingredients. Each portion is thoughtfully crafted to pair perfectly with specialty coffee, enhancing the experience without overpowering it. We currently offer four amazing flavors: **Passion Fruit**, fresh and vibrant with a delightful acidity; **Red Berries**, aromatic and well-balanced; **Carrot**, warm, soft, and comforting; **Bread cake**, classic and nostalgic, reimagined in a healthier way. Personal portions, nourishing, and intentional. The perfect companion for a mindful moment and a great cup of coffee.
